Located at the north end of the scenic Niagara Parkway, Niagara-on-the-Lake is about twenty minutes from Niagara Falls . . . a unique town lined with shops, boutiques and other fascinating places to shop and browse. Niagara-on-the-Lake is also home to the Shaw Festival. Passengers see the majestic Falls as we travel along the shoreline of Ontario and New York State. We will include the Duty-Free Shoppe for even greater savings. Many enjoy the low-prices for "adult beverages", perfumes, make-up and many other items. Passport or Passport Card required.

You'll dine at the fabulous "Four Diamond-Rated" Pillar & Post Inn. Fine dining and ambiance greet you at this historic Inn, where Queen Elizabeth once dined, before an afternoon at the shops in town. We "treat you royally" on this upgraded tour to a fascinating town.
