Elyria, No. Olmsted, Middleburg Hts, Independence, Beachwood, Willoughby, Ashtabula, As Applicable

This brand new tour will take you out of state to see some places you've probably never seen, but are sure to bring back memories of yesteryear. Today we will experience fun and festivities and pride in our country. And to top it all off, great dining at an Inn, still at the original site where it became known for outstanding food as far back as the 19th century.

It has now been returned to its original grandeur and the Inn has been listed as "one of the fifty finest establishments" by Duncan Hines when he first visited it. It has music, fun, great dining and a touch of shopping. We'll be visiting a shop that's exceptionally patriotic for our company, a store that is sure to bring back enjoyable memories and much more.
