

THE LEGACY OF LUCY & DESI, LAKE CHAUTAUQUA . . . and Luncheon-Cruise

Elyria, No. Olmsted, Middleburg Hts, Independence, Beachwood, Willoughby, Ashtabula, As Applicable

A bit of nostalgia descends upon us as we arrive in Jamestown, New York, the birthplace of Lucille Ball, "the person whose face has been seen by more people more often than any other in history". Our package includes the Lucy-Desi Museum at its new location. We'll hear about some of the antics from Lucy's childhood as we view screenings and excerpts of their shows. The package has been expanded to include a tour of Jamestown, and something that few get to enjoy, the Desilu Playhouse (admissions included). Did you know that last year would have been Lucy's 100th birthday and, to celebrate, 915 folks dressed as Lucy Ricardo to set a new world record.

We'll be cruising beautiful Lake Chautauqua aboard the "Summer Wind" that docks at Lucille Ball Memorial Park. Termed the "Ultimate Excursion", enjoy the sunshine and breezes of the upper deck or relax in the climate-controlled comfort of the interior salon. Enjoy the dishes prepared by the "Summer Wind" chefs during this two-hour cruise . . . definitely one of the finest ways to cruise Lake Chautauqua, and one of our most popular.
