This "hub & spoke tour" should be a MUST on your list for 2012. We'll be enjoying a single check-in at the new Sands Casino Resort where a spacious guest room awaits you in the heart of the Lehigh Valley. With the meal vouchers you will be receiving each day, you'll be able to apply them towards the vast opportunities for snacks and full meals, including the phenomenal offerings at Emeril's Italian Table Restaruant. There will be plenty of time to rest, relax and enjoy this casino resort.

On Tuesday we'll be traveling into New York City where our Guide will be presenting the "Big Apple". After our touring of the "Big Apple", we'll have some time to shop, browse or do some additional sightseeing.

On Wednesday we'll be enjoying the boardwalk, shops and, of course, the Atlantic City casinos, starting out at one of the popular casinos (most likely Harrah's), complete with an additional \$25 bonus. You'll be receiving a \$20 food voucher each day at the Sands, breakfast vouchers each morning in the second floor dining area and \$90 in free slot play.
