

MISSISSIPPI RIVER CRUISE . . . aboard the Upper Mississippi's largest excursion vessel
Wednesday - Friday August 1 - 3, 2012 **\$492 per person (\$84 single suppl)**

Willoughby, Beachwood, Independence, Middleburg Hts, No. Olmsted, Elyria, Sandusky, As Applicable

Make this the year you take that "Mississippi Cruise" you've been thinking about for so long! We'll be cruising, dining and, if you're so inclined, dancing aboard the largest luxury excursion vessel on the Upper Mississippi River. Enjoy the live bands that will be entertaining with the classic oldies while we are cruisin' the scenic Mississippi.

Three meals are included aboard the boat during the day, starting with the ship's famous homemade sticky rolls with fruit, followed by a full hot lunch buffet and, for those still hungry, a delicious afternoon snack. (Seven meals are included in this tour.)

We'll be staying in the historic Mississippi rivertown of Bettendorf in the Quad Cities area at the Isle Resort Hotel. You'll have time each evening to enjoy their casino if you would like to . . . or any of their great facilities. This popular tour also includes dinner at the unique Iowa Machine Shed which is dedicated to the American farmer and continues to serve only the best beef, pork and poultry (and their famous apple dumpling which we've included this evening). It is almost like dining amidst a memorabilia museum. A delicious dinner is included enroute home and serves up a feast of homestyle food.

In Rock Island, Illinois, we will be enjoying a dinner at Circa '21 Dinner Playhouse where we'll be seeing the "Dixie Swim Club", a comedy about five Southern women who met in college and reunite annually for 33 years. We will be visiting the fascinating John Deere Pavilion & Gift Shop in Moline, Illinois, seeing some of their products as well as learning of the company's history and production techniques. While the tour centers on the cruise, it features many other inclusions.
