

MYSTERY TOUR # 646 WITH GIFTS . . . an Annual Tour, Keeping the Same Secrets & Gifts
Monday August 6, 2012 **\$116**

Willoughby, Beachwood, Independence, No. Olmsted, Middleburg Hts, Medina, As Applicable

Over the years our passengers have encouraged our Tour Specialists to come up with tours that incorporate unique attractions and, possibly even a brief visit to a bird sanctuary . . . and this is just such a tour which is being repeated identically to the first ten years. Best of all, we've not neglected the inclusion of a great meal when the "time for our luncheon rolls around", "topped off" with fresh pastry. This tour allows you to see some of the efforts that go into your favorite products and you'll have a couple of gifts along the way to place in your bag, a reminder of the fun that you've had as we travel to (ooooops, almost gave away our destination!!!!). But even as we depart for home, you'll stop for a mid-afternoon snack you're sure to enjoy . . . an "extra" when you travel with Great Day! Tours.
