This year is the 100th Anniversary of the maiden voyage of the R.M.S. Titanic. "Titanic: the Artifact Exhibition" docks at the Henry Ford Museum and we have secured tickets for you and guests of any age. We've got reservations for this show that is filled with hundreds of genuine relics recovered from the ship since it was located in 1985.

You'll also have time during our 6-hour visit to enjoy the Henry Ford Museum (admission also included) with its unique attractions that offer a unique approach to history, including the bus that was made famous by Rosa Parks. You'll have time to shop or purchase a meal at one of the themed restaurants such as the Michigan Cafe or the Weinermobile Cafe, a "culinary shrine to the Great American Hot Dog". Please advise if adult, senior (65 and up) or child (12 and under). Seniors and children deduct \$1 from price shown above.
