Westlake, Elyria, No. Olmsted, Middleburg Hts, Independence, Beachwood, Boston Hts, As Applicable

We'll be transporting you to the 30th annual Great Trail Arts & Crafts Festival, a re-creation of life on the Ohio frontier during the French and Indian era in the rolling hills of northern Carroll County. And, yes, there are trails we will be walking along.

This 18th Century colonial marketplace features selected quality artisans and crafts persons demonstrating skills and offering wares. Admission is included in this new tour package recommended by one of our Tour Directors. The festival is a special collection of American folk art with contemporary and country crafting. There's even a storybook craft village where hand crafted gifts and treasured keepsakes await you. Not only will you enjoy the delightful atmosphere, there will be time to savor the wide variety of delicious kettle-cooked and refreshments. Oh, we almost forgot to mention the activities such as live music, clog dancing, fiddlers and Scottish pipers, live buffalo and even a scenic grist mill in this new tour presentation.
