This tour, planned for a Saturday in September for those who may work during the week, has three distinct winery destinations that our group passengers have been enjoying throughout the previous year. Now's your chance to do the same. Our first stop on this leisurely tour, is a boutique winery in Dover, Ohio, located in a 125 year old, one-room school house. Here you'll enjoy fine wines in a relaxing setting while being served the "appetizer" portion of today's tour.

Our second visit will be in West Lafayette, overlooking the beautiful Tuscarawas River in Coshocton County. We'll be touring the winery for about thirty minutes and then tasting six of their award-winning Ohio wines. The family originally came to the United States from Central Italy in the early 1900's and today we'll be dining in their beautiful Italian winery restaurant that overlooks the river and the scenic countryside.

Our dessert will be served in Maize Valley at what started out as a farm market and then added a winery "along the way". After our wine tasting here, as at the other stops, you'll be able to take home some of your favorite wines you've discovered. All passengers on this tour must be at least 21 years of age.
