Willoughby, Beachwood, Independence, Middleburg Hts, No. Olmsted, Elyria, Sandusky, As Applicable

Northern Michigan is the place to be during the beautiful final days of summer, especially when you're staying at Thunder Bay Resort, naturally known due to its adjacent golf course. Those staying in "doubles" will be enjoying a suite while those in "singles" will have a hotel room. The most spectacular inclusion will be the carriage ride where you will be seeing elk . . . guaranteed! It's like turning back the clock as a pair of matched Belgian Draft horses pull your carriage over forest paths as you sit back, awaiting the bugle call of a male elk. You may see a bull elk in "velvet" or newborn calves. After this experience it's just a short ride to the Elk Antler Log Cabin where the aromas of wood smoke, laced with tantalizing food smells and the ambiance of antiques, fill your senses with the promise of great things to come. For those into golfing, the resort is generally able to arrange a tee time for you, a fee applies for those wanting to golf. We understand 18 holes of golf, with a cart is approximately \$29; reservations are made about one month prior.

This evening in a new, elegant log cabin with a cozy fireplace, the culinary artist will regale you with a five-course gourmet dinner cooked before you on two antique wood cookstoves. From the wine tastings to the apple/pear crepes to the white chocolate mousse, you're sure to leave satisfied. With the stories about the owners' family and how this resort started as well as the elk you've just seen . . . it's sure to be memorable. After our last cup of cherry coffee, it will be time for the short horse-drawn carriage ride back to our rooms.

After Sunday morning's breakfast buffet in the resort's Club House Grill, we'll travel to Frankenmuth . . . Michigan's Little Bavaria, with dinner at the Bavarian Inn. We'll also be making a visit to Bronner's Christmas Store. Three meals are included in the tour. Please also note our Tuesday - Thursday, July 17-19 three-day tour to Thunder Bay Resort and Mackinac Island.
