Each year our staff endeavors to provide a number of new shows in our Branson package and this year is no exception. These great shows selected make this a great September tour. But, along the way, we'll be staying in the St. Louis area where dinner and cocktails (or other beverages) await us at our hotel. We'll be viewing carvings and other products made from walnut, sampling wine at a Missouri winery and seeing the Gateway Arch during our St. Louis tour. We'll also be seeing the College of the Ozarks where students do not pay tuition, but participate in the on-campus work education program; it calls itself "Hard Work U". For those interested, there will be an evening to enjoy the riverboat casinos. We've included ten meals during this six-day tour at top name restaurants such as Landry's Seafood House and the Plaza View Restaurant atop the Grand Plaza Hotel where, besides the view, you'll be enjoying the sounds of live music.

A talented group of Ireland's finest singers, The Twelve Irish Tenors, are taking the concert world by storm. From pop to jazz to classical, they'll be singing their smash hits such as "Danny Boy", "That's Life", "You Raise Me Up", "Twist and Shout", "Yesterday" and more, during the first of our six shows. Presley's Country Jubilee is this year's inclusion for "Ozark-style" country comedy and music . . . Branson's oldest show and, we believe, one of the most entertaining.

The list of shows and entertainment goes on with the Doug Gabriel Morning Show (voted Branson's "Male Vocalist of the Year"). Besides his vocals and instrumental talents, he also entertains you with his world-famous Mufftar, a guitar made out of a 1969 Thunderbird muffler. No one will want to miss our premier event of the tour, a fantastic lake cruise aboard the Showboat Branson Belle, cruising past the lush Ozark Mountains on the crystal clear waters of Table Rock Lake, experiencing "Branson dining" and one of the best shows around, with all new acts. Other performers include the Hughes Brothers, the "show that owns the title of the world's largest performing family" and, of course, the Shoji Tabuchi Show, "Branson's first family of extraordinary musical entertainment". We are, once again, offering a November 10th - 15th Branson Holiday Tour. This tour includes ten meals and complimentary cocktails two of the nights.
