This year our reps have worked to put together a great Branson Holiday package for your consideration with entertaining shows, local touring and, unbelievably, a reduced price. There's no reason not to join with us on this holiday tour. And, in the holiday spirit, our dinners enroute will be at our hotels and you'll have complimentary beverages to accompany the meals including cocktails, beer, wine, soft drinks and/or coffee. The meals should continue to please you as the dinners in Branson will be at Buckingham's Prime Rib & Steakhouse, Jackie B. Goode's Uptown Cafe and Florentina's Ristorante Italiano, known for its homemade sauces and signature creations that are made fresh daily. Of course breakfast's included each morning of the trip. We'll also be stopping at a restaurant along the way that claims to be "the only home of the throwed rolls".

While we all enjoy dining, you've come for the shows and that's what we have for you! We'll be visiting the Tri-Lakes Center just off the Shepherd of the Hills Expressway for the Daniel O'Donnell Show. You may have seen Daniel on PBS and, for this show, we'll be having guest artist Mary Duff to bring a little bit of Ireland for the holiday show. We are pleased to have been able to secure tickets to this show. Jim Stafford and the show cast should be most entertaining. Jim has been acclaimed as the "Victor Borge of the Guitar" and spotlights a number of his songs including "Spiders & Snakes", "Cow Patti" and "My Girl Bill". His guitar playing is phenomenal and ranges from popular to flamenco.

After our local touring and a visit to the College of the Ozarks (also known as "Hard Work U"), seeing the holiday decoration in Old Town Branson, we will be joining up with the Dutton Family for the show at their theater. For two decades this award winning group offers entirely new shows each year (see left). Even Simon Cowell announced "I absolutely loved it". Our next Christmas show will feature the Brett Family & Singers, live instrumental music and fast-paced variety. On several occasions, they've performed with the Morman Tabernacle Choir following their performances on the Showboat Branson Belle and Dick Clark's American Bandstand Theater.

Wrapping up our show package, we'll be visiting the Welk Resort for "Tony Orlando's Great American Christmas". He and his cast will be singing all your holiday favorites as well as his greatest hits including "Knock Three Times", "Tie A Yellow Ribbon" and "Sweet Gypsy Rose".
