The Holiday season comes but once a year and it's a time to enjoy the best . . . and you'll do just that during this premium tour. That's why we want to take you to one of the most magnificent places to share this special time. The "Country Christmas" theme at Opryland Resort Hotel, Nashville's one-of-a-kind holiday tradition, has been dazzling millions of visitors with a wonderland of music, decorations and entertainment like you've never seen . . . in addition to staying at the impressive Gaylord Opryland Resort while we are in Nashville. The package includes five meals and four shows, starting enroute with an evening holiday dinner performance of Irving Berlin's "White Christmas". On this tour you'll be enjoying four full days, compared to some tours offering just three days to take in all of this "holiday spirit".

During our visit to "Christmas at the Opryland Hotel", you'll be strolling along the decorated walkways, seeing the magical transformation for the holidays with its blend of Colonial Williamsburg and Southern Plantation architectural styles. You'll be enjoying the finest in Southern Hospitality. Admissions are included to the "Treasures of the Holidays" Arts & Crafts Show. There are breathtaking tropical gardens, food carts throughout the resort, superb restaurants and unique shops, making it truly the South's most spectacular hotel. You'll be enjoying The Radio City Christmas Spectacular featuring the Rockettes. Admissions are also included for "Ice" (Opryland's themed display of ice sculptures that were recently spotlighted on The Travel Channel). Enjoy the interactive world of these colorful ice sculptures. The hotel and its grounds are spectacularly decorated with millions of holiday lights. In addition you will be seeing Lorrie Morgan's Christmas Dinner Party. Arriving on the scene in the early 90's, she recorded a string of top ten country hits including having recorded more than 25 singles and 15 albums. One of her most popular hits was "Paper Roses".

We'll also be enjoying a holiday meal during a relaxing cruise along the Cumberland River aboard the General Jackson Showboat, as we dine and enjoy the Country Christmas Show. A truly premium holiday tour in every way. Imagine a hotel that's reminiscent of the French Quarters in New Orleans and large enough to have tour boats gliding through it and an antebellum experience with such great shows . . . and at an even lower price this year.

This year we added unique "Lights Under Louisville" holiday lighting spectacular as we ride through it aboard a tram, viewing over one million points of lights and the light show. It's the only light show of its type in the world.
