Take a trip back in time and experience Old World England in the Cambridge area. For the seventh year, the downtown area is charmingly transformed into a Dickens Victorian Village during the holiday season. At the Olde Curiosity Shoppe we'll be greeted by Tom Cratchit, Tiny Tim and the Politician (see right), just some of the many lifelike scenes along Wheeling Avenue. This new holiday traditions now present 186 mannequins in 80 scenes, many of which are stationed along each of the antique lampposts, benches and shop windows. Of course we'll be dining on a holiday buffet at meal time.

But this is just the start since we'll be traveling aboard the Byesville Scenic Railroad, seeing the miners wall at the Depot and for something unique, the light show and an afternoon tea & biscuit reception.
