

**NEW YEAR'S EVE AT THE CASINOS**  
**Monday December 31, 2012 - Tuesday January 1, 2013**

The logo for New Year's Eve, featuring the words "New Year's Eve" in a stylized, cursive font. The word "New" is at the top, "Year's" is in the middle, and "Eve" is at the bottom, all in a dark color. The logo is enclosed in a thin, light-colored rectangular border.

Each year we have offered passengers an opportunity to enjoy a trip to "welcome in" the New Year at their choice of casinos. Last year the destinations included Greektown - Detroit, Rivers - Pittsburgh and Presque Isle - Erie. Trips depart late afternoon on the 31st and stay at the casino until early morning of the 1st. Call later in the year, or see our website ([www.greatdaytours.com](http://www.greatdaytours.com), click on "Public Tours") or newspaper ads, for additional details. These trips are non-refundable and non-transferable but passengers may be substituted up to December 28th; call our office to sign up for any of these upcoming trips.
