

TORONTO . . . Shopping in Canada's Largest City

Expanded One-Day Express Trips

\$120

For quite a few years our Express Trips to New York City have been enjoyed by many passengers. They have an economical opportunity to spend a day shopping, browsing and dining in "The Big Apple".

This year we've added three new scheduled departures to Canada's largest city, Toronto. It's got museums, cultural centers and plenty of shopping in the new downtown area and its underground walkway. You'll have a full day to explore Toronto after the motorcoach drops you off at Eaton Centre. Ontario's largest mall is like no other, featuring a spectacular glass galleria soaring above a fascinating selection of more than 230 retailers, restaurants and services . . . all in the heart of the city.

A rest stop and breakfast stop will be made on the way to Toronto. Enroute home we will be making a stop at the Duty-Free Shoppe for even more savings on cosmetics, spirits, fine fragrances, jewelry, watches, handbags and wine. A passport or passport card is required for this trip across the U.S. - Canadian border.
