Every year over 3 million visitors come to Frankenmuth the "Little Bavaria" of Michigan . . . and for good reason. It's even more so in the holiday season, putting this tour of delicious food, Bavarian hospitality and holiday shopping at the top of Michigan's list of popular destinations . . . and where you can enjoy "Christmas All Year" . . . but especially in December.

Our festive dinner will be served upon our arrival at the Frankenmuth Bavarian Inn and we will be spending time at Bronner's Christmas Wonderland (ranging from hand-made ornaments to holiday gifts), the Silent Night Chapel (a replica of the building in Oberndorf, Austria, where that song was first sung), and the many shops and bakeries along Main Street. The holidays are a fabulous time to get "into the spirit" in Frankenmuth. Discover why we offer packages, during various seasons, to Michigan's Little Bavaria, just a few minutes north of Flint.
