There are so many things to take in when you travel to Atlantic City, known as a Resort City” as far back as the 1800s and, a “Casino Resort City” since 1976 when legalized gambling was authorized by the State of New Jersey. There’s the Boardwalk, the ocean, little shops & boutiques and, of course, plenty of choices for “*gaming action*” at any of the city’s nine casinos. This tour includes three days and two nights to enjoy this vacation mecca at a hotel-casino owned for about a decade by Merv Griffin.

Our two nights of room accommodations will be at Resorts Casino Hotel, the original property that opened, setting the stage for the other resort hotels that followed. Just steps off the Boardwalk, you’ll be in the heart of the action and, to enjoy our visit even more, you will be receiving your bonuses upon our arrival (Slot Play and Food Vouchers). All passengers must be at least 21 years of age with a valid state-issued photo ID.
