

Great Day! Scheduled Tour Summary

AMERICA'S 250TH - GETTYSBURG BATTLEFIELD & LANCASTER "JOSHUA"

WED-THUR AUG 12-13, 2026

Departures, as applic: Elyria, No. Olmsted, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

This tour, as part of our America's 250th Tours Series, recognizes our Country's Anniversary, travels to two great destinations. Gettysburg so much played a historic part in our country's early years, being the location of the major battle of the Civil War and a turning point in that conflict. Putting the activities of those days into perspective, we have reservations for the NPS's "*New Birth of Freedom*", narrated by Morgan Freeman, to set the stage for the rest of the tour, and then viewing the Gettysburg Cyclorama with the dramatic 1884 painting "*Pickett's Charge*".

We will be traveling through the Battlefield aboard our motorcoach with our guide, visiting the site where the Confederate Army of Northern Virginia, with 70,000 men under the command of General Robert E. Lee, and 94,000 men under the command of Major General George G. Meade, fought for three days during July of 1863. Our tour of the Battlefield is not just a ride-through, but rather an unbelievable "experience" with a Licensed Guide, giving a tour as graphic as if having lived through each moment of that period in America's history.

The next day finds us in Lancaster where we have reserved seats to attend the new musical, "*Joshua*", performed at the Sight & Sound Theatre. "Journey alongside the people of Israel as they navigate their new-found freedom in an unforgiving wilderness. When Joshua is called to replace Moses as their faithful leader, tensions mount in the midst of dwindling supplies and approaching armies. With one last fortified city standing between the Israelites and the Promised Land, unexpected help emerges from behind enemy lines and Joshua's trust in God's plan is put to the ultimate test."
