

Great Day! Scheduled Tour Summary

THE WEST VIRGINIA RAILS, 3 MEALS

SAT-SUN SEPT 5-6, 2026

WITH TRAIN, HISTORIC TROLLEY BARN W/ EXCURSION RIDE, & DINNER-SHOW

Departures, as applic; Parma/Cleveland West, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

Join us on a Rail Weekend tour with two excursions plus dinner & entertainment at the Gandy Dancer Theatre. In typical Great Day! fashion, this tour includes entertainment, after our dinner, with musicians, singers and dancers who will be entertaining us on Saturday evening.

Just across the street from our hotel, on Railroad Avenue, we have added a visit to the train museum and then boarding the passenger train at the Elkins Depot, an historic station-built way back in 1908 in the heart of downtown. Select your meal from the railcar's luncheon buffet as the train brings back to life the era of "*dining on the rails*". Today's 46-mile excursion operated by West Virginia Rail, will be traveling through the National Forest, with mountain grades, an "S" curve tunnel, and miles of unspoiled mountain views. Vintage locomotives, from the mid-1900s, climb along the cascading Shavers Fork of the Cheat River to the High Falls of Cheat.

And, for our second "*rail experience*", we have arranged a visit to one of the largest centers dedicated to the operation and preservation of historic streetcars and trolleys. Its museum contains trolleys that, over the years, have served residents of Pittsburgh, Toledo, Cleveland and New Orleans plus it also displays an open-sided car from Brazil. The trolley barn also has dozens of streetcars awaiting their being rebuilt, to bring them back to the early days of public transit systems. Of course, no visit would be complete without a ride on a restored trolley along their right-of-way in Washington County, which is included. As we travel homeward, a stop will be made to enjoy an ice cream treat from the glittery ice cream soda shop at a candy store favored by Perry Como and Bobby Vinton. Who knows, your Tour Director just may want to spend "some of the boss's money" on passengers while here.
