- Affectionately known as "America's Orchestra,"** the Boston Pops, established in 1885, is one of the most beloved orchestras, thanks to Arthur Fiedler. He not only "brought to life" the Summer Concerts but, during the Holiday Season, lights up Symphony Hall with festive music that continues to delight audiences with "technical, musical depth and a harmonious blend of familiar classics".
 
- There will be several stops as we travel eastward and, upon our arrival in New Hartford, we will be checking into an Inn where our Holiday Dinner awaits us.
- This tour, with all its inclusions, is sure to brighten up your Holidays, especially if this destination and performance has been on your "bucket list".
- In Boston we will be staying at the Encore Boston Harbor Hotel, referred to in some online comments as a "Las Vegas-Style Resort". This five-star hotel brings "glamour on a grand scale to the Riverfront" and, for those enjoying some gaming action, their casino has a "dazzling array of classic and state-of-the-art slot machines, an elegant terrace with table games and high-limit gaming rooms". Each passenger will receive a free slot-play credit as well as a \$20 meal voucher for dinner this evening. The entire evening is yours to enjoy.

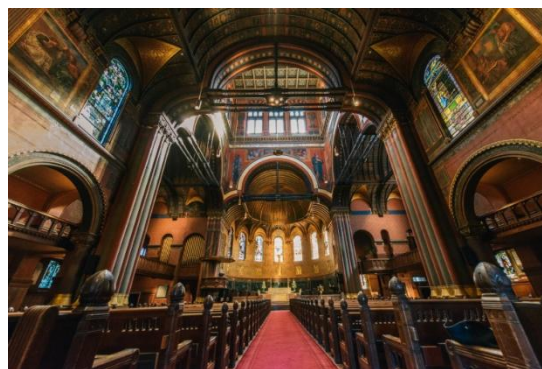

Our Boston Guide will be joining us for a day of touring after giving each passenger a Christmas Gift Bag to be filled as we travel Boston's Historic Sites! We will participate in the holiday tradition of designing and decorating our own Gingerbread Houses! When we are finished, our "creation" will come back on the motorcoach with us.

All tour details are anticipated at the time that the Scheduled Tour Brochure was prepared and specific stops and/or other inclusions are subject to change or elimination without notice. Tours typically depart between 6:30 AM and 8:45 AM with the exact time shown on the itinerary you will receive approximately one to two weeks prior to the tour departure. Most tours return about 4:30 PM to 6:15 PM, although this may vary.

Our tour continues after our luncheon with a tour of Trinity Church Boston. Designated “one of the ten most important buildings in America” by the American Institute of Architects, this National Historic Landmark welcomes more than 70,000 visitors each year!

Dinner is included this evening, after which we will arrive at Symphony Hall for our ***Boston Pops Holiday Concert!*** Celebrate the splendor of the holiday season this evening. Symphony Hall continues to be regarded as one of the top concert halls in the world. The walls of the stage slope inward to help focus the sound. The side balconies are shallow so as not to trap any of the sound, and the recesses of the coffered ceiling, along with the statue-filled niches along the three sides, help to distribute the sound throughout the hall. The 16 replicas of Greek and Roman statues are related in some way to music, art, or literature. They were placed in the niches as part of an appreciation of the frequently quoted words, “Boston, the Athens of America,” written by Bostonian William Tudor in the early 19th century. The Symphony Hall organ, an Aeolian Skinner designed by G. Donald Harrison and installed in 1949, is considered one of the finest concert hall organs in the world.

As we travel homeward, we will be dining at a popular Supper Club, an experience that should “round out” a wonderful experience our of Boston-New England Christmas Holiday tour.
