

Great Day! Scheduled Tour Summary

NEW YORK CITY AT CHRISTMASTIME WITH THE RADIO CITY ROCKETTES TUES-FRI DEC 8-11, 2026

Departures, as applic: Parma/Cleve.West, Middleburg Hts, Independence, Beachwood/Orange, Macedonia.

This Holiday Tour Package takes you to a place that is synonymous with Lights, Decorations and Christmas . . . New York City. Celebrations are not new to this area, having begun over a century ago. Then in 1936, another tradition began, specifically the Lighting of the decorated Christmas Tree on Rockefeller Plaza. This became even better known during the 1950s when it was televised nationwide for the first time. In an effort to impress viewers even more, the selected trees to be displayed became larger, taller and more brightly decorated . . . and 2026 is your chance to travel with us if this Holiday Destination is on your Bucket List! If you are planning on joining us, we do recommend booking early as we have just enough show tickets for one bus.

But that tree is just one small, albeit tall, part of what is in store for you. Did you know that every year Rockefeller Center's head gardener scouts out the tree? 2025 saw a 75-year-old Spruce tree from East Greenbush, NY be selected to light-up Rockefeller Center.

Another highlight of the Christmas Season dates back about as long as the Christmas Tree, The "Radio City Rockettes Christmas Spectacular!" Last year the Rockettes saw their 100th season, which the city honored by renaming the stretch of Sixth Avenue "Rockettes Way", and opened an exhibit in the Museum of Broadway titled: *The Rockettes 100th Anniversary: A Century of Sisterhood*.

But there are so many other reasons to travel with us on this tour. Our Staff has included three nights of rooms at a Home2Suites by Hilton Hotel, dinner on arrival, a guided tour of the city that is so decorated for the holidays, breakfast each morning, two additional dinners, a luncheon as we travel homeward and a day of free time to see the festive windows of the department stores, to shop and to sightsee on your own, visiting those "special places" you've been wanting to see!
