

Great Day! Scheduled Tour Summary

DINING IN A CASTLE

THURS, JUNE 3, 2027

Departures, as applic: Beachwood/Orange, Independence, No. Olmsted, Middleburg Hts, Medina.

This tour takes us to the rolling hills and woodlands of the Loudonville area. Here, rising above the landscape is Landoll's Mohican Castle.

This delightful retreat is known to host everything from wedding parties to corporate events, serving as a beautiful dining and lodging location. Many have described the property as "a rare blend of old-world charm, timeless romance, and unforgettable hospitality".

The Castle was built as the Euro-inspired dream of Army Veteran Jim Landoll, who was captivated by the grandeur of the castles that dot the European Countryside.

Today, our staff would like to escort you to this elegant establishment where you will tour the grounds, enjoy a four-course meal fit for royalty, and learn more about the history of how this "storybook written in stone" came to be!

Following, we will be stopping at a popular shopping destination that offers a wide range of items, many of which are locally made, including cheeses, candies, and some Amish-made products that you can enjoy when you get back home!
